INCOME TAX RETURN FOR EXEMPT BUSINESSES UNDER THE PUERTO RICO INCENTIVES PROGRAMS

MESSAGE FROM THE SECRETARY OF THE TREASURY

Dear taxpayer:

We at Hacienda are firmly committed to administer our tax system in a responsible and effective way for the benefit of all Puerto Ricans. It is important for all citizens to become part of this commitment, so that we can strengthen the socioeconomic development of the Country that we are part of, contributing to a better quality of life for all.

During taxable year 2010, a series of measures were approved aimed at reducing the tax burden imposed on all taxpayers. One of the most significant changes that is part of our tax reform "**More Money in your Pocket**", the most comprehensive of our history, is the concession of an **additional credit** against the determined income tax to every corporation or partnership that has complied with the payment of the Christmas Bonus. The amount of credit will be 7% of the tax owed.

Among other tax benefits, there is the concession of a credit for investment in research and development of green energy sources, under the Puerto Rico Green Energy Incentives Act. Also, under the Real Property Market Incentive Act, the total net long-term capital gain from the sale of a **qualified property** between September 1, 2010 and June 30, 2011 is exempt from the payment of income tax.

To clarify questions related to the preparation of the tax return or request information regarding the status of the same, refunds or payments, you can call (787) 722-0216. In addition, you can contact our Taxpayer's Service Centers located in Ponce, Mayaguez, Caguas, Bayamón, San Juan, Hato Rey (Mercantil Plaza), Arecibo and Aguadilla. Their telephone numbers are included in this booklet. If you need additional information, please visit our site on the Internet at www.hacienda.gobierno.pr.

File your return on time. Become a part of this effort and contribute to the progress and well being of Puerto Rico! By doing this, we all win.

PAYMENTS FOR THE PREPARATION OF THE RETURN AND SANCTIONS TO RETURNS SPECIALISTS

Indicate if you paid for the preparation of your return and make sure that the specialist signs the return and includes his/her registration and employer identification number. THE CODE PROVIDES CIVIL AND CRIMINAL SANCTIONS TO THOSE INCOME TAX RETURN SPECIALISTS WHO FAIL TO SUBMIT THIS INFORMATION OR WHO DO NOT MEET ANY OTHER STATUTORY REQUIREMENTS.

The Specialist must declare under penalty of perjury that he/she examined the return and to the best of his/her knowledge and belief, it is correct and complete.

If the return is prepared by an accounting firm duly registered as a Tax Return Specialist, it must include the employer identification number, the registration number and be signed by the authorized person.

AREA CODE

You must indicate the area code (787 or 939) in the parenthesis located in the spaces provided in the heading of the return to write the phone number.

RETURNED CHECKS FOR INSUFFICIENT FUNDS

Every check drawn on behalf of the Secretary of the Treasury that is returned, will be subject to a \$25.00 minimum charge. This charge is in addition to any other interest, surcharges or penalties provided by the Code or any other fiscal law for omissions in fulfilling your tax responsibility. The Department will make the collection in a traditional or electronic manner.

FINANCIAL STATEMENTS REQUIREMENT

If the entity has a volume of business from taxable operations of more than \$3 millions, financial statements reporting the operations of the taxable year must be included with the return.

The financial statement must include a balance sheet, an income statement and a statement of cash flows. These statements should be submitted with an Audit Report issued by a certified public accountant (CPA) licensed in Puerto Rico.

A report that includes consolidated financial statements in which the operations in Puerto Rico are presented as supplementary information will not be accepted. Also, compiled or reviewed statements are not acceptable. They must be audited.

CONTRACTS WITH GOVERNMENTAL ENTITIES

Every person, natural or juridical, contracted by a governmental entity, must comply with the Executive Order 91-24, as amended, and the provisions of the Circular Letters in force at the time of processing the contracts. According to said provisions, every contract subscribed by a governmental entity must include a clause to certify that the contracted party filed the income tax returns for the last five years, and that the income, property, unemployment, temporary disability and drivers social security taxes, as applicable, have been paid.

In addition, in order to approve a contract or purchase order, the governmental entity must require the tax return filing (Form SC 6088) and debt (Form SC 6096) certifications from the Internal Revenue Area of this Department, the property tax certification from the CRIM and the corresponding certification from the Department of Labor and Human Resources. These documents must be requested annually.

In order to expedite the process of issuing the certifications, every person who has filed income tax returns for the last 5 years and who does not have tax debts, or if having debts, has formalized a payment plan, will receive the Tax Return Filing and Debt Certification (Form SC 2628) automatically by mail. **For this purpose, if the corporation is contracted by a governmental entity, it is necessary to indicate so in the heading of the return, page 1.**

Sometimes a certification cannot be issued in connection with the return corresponding to the last taxable year, since such return may have not been already processed. Because of this possibility, it is recommended to personally hand in the original return along with a copy, in order to receive back said copy sealed with the Department's receipt stamp. This service will be offered at the Department of the Treasury, Intendente Ramírez Building in Old San Juan, at the District Offices, at the Internal Revenue Collections Offices, and at the Orientation and Return Preparation Centers.

COUPONS BOOKLET FOR THE PAYMENT OF ESTIMATED TAX (FORM 480.E-2)

The four installments of estimated tax corresponding to the 2011 calendar year or to the 2011-2012 taxable period, will be made with the booklet revised on 08.10. Payments made with coupons revised previous to said date may have problems in their application.

On the other hand, you may elect to include such interest as part of your gross income and pay the tax determined according to the normal tax rates.

This credit does not apply to dividends or profit distributions derived from operations covered under Act No. 78 of 1993 or Act No. 8 of 1987.

However, the Code provides the following exceptions:

- 1) In case of a small business investment company operating in Puerto Rico under the Small Business Investment Act of 1958, there shall be allowed as a credit an amount equal to 100% of the total amount received as dividends or

profits from a domestic corporation or partnership taxable under the Code.

The exempt business that has a decree under this act engaged in manufacture, which IDI computed without the benefit of the special deductions provided in Section 4 on any taxable year

is smaller than \$500,000, and that has kept an average employment of 15 or more persons during said taxable year, is allowed to deduct the first \$100,000 of said income in order to be totally exempt from the payment of the IDI fixed tax rate provided in Section 3(a) of this act. Line 9 - In those cases in which the exempt business is allowed to claim more than one of the special deductions mentioned before, and the sum of said deductions after determining the amount that is allowed before taking into consideration the limitation based on the IDI, results in an excess of the IDI for said year, or that the exempt business cannot claim the total benefit of said deduction for said year, it will determine the limitation of the special deductions following the order indicated in Part II.

In the other cases, it will be the fixed income tax rate provided by law applicable to the business multiplied by the net industrial development income, excluding the income under subsection (j) of Section 2 of the Act.

Line 9 – Subtract the tax withheld on royalty payments made during the year.

Line 10 – The payment required for minimum tax will be equal to the excess of the minimum tax over the net tentative tax. As the net tentative tax exceeds the minimum tax, the exempt business will not have to make a payment for minimum tax.

If the business does not have a decree, enter the number assigned by the Industrial Development Company. The eligible business must keep the

necessary records evidencing the value of the purchases for which the credit is claimed. Do not include purchases of products that have been manufactured in Puerto Rico by persons related to the eligible business.

An eligible business, as defined by Act No. 83 of 2010, will be entitled to claim a credit against the income tax for the purchases of products manufactured in Puerto Rico, including component parts and accessories, equal to 25% of the purchases of said products during the taxable year in which the credit is claimed, or 35% if the products are made from recycled materials or recycled raw materials. This credit may be claimed up to a maximum of 50% of the income tax liability.

This credit will not be available and no credit will be granted to those businesses that had claimed any special deduction or credit of similar nature under any other incentives act.

For additional information, refer to Article 2.11(a) of Act 83 of 2010 and the corresponding regulations.

Line 5 – Enter the amount from Part II, line 2 of Schedule Y Incentives.

PART II – JOB CREATION CREDIT

Every exempt business beginning operations after July 19, 2010, will be entitled to claim a credit only against the green energy income tax, for each job created during its first year of operations. The amount of the credit will depend on the industrial development zone where the exempt business operations are located, as follows:

Area	Credit
Vieques and Culebra	\$5,000
Low Industrial Development Zone	\$2,500
Intermediate Industrial Development Zone	\$1,000
High Industrial Development Zone	\$0

Line 3b – The generated credit not used during the first year of operations may be carried forward for a period that shall not exceed four years beginning in the first taxable year in which the exempt business generates net income. Detail on this line the amount of credit claimed in each one of the previous taxable years beginning on the date in which the same was generated and enter the total in the box.

Line 5 – Enter the amount of credit to be claimed against the tax liability for the current year. Transfer to Schedule Y Incentives, Part II, line 5(b).

For additional information, refer to Article 2.11(b) of Act No. 83 of 2010 and the corresponding regulations.

PART III - CREDIT FOR INVESTMENT IN RESEARCH AND DEVELOPMENT OF GREEN ENERGY SOURCES

Any exempt business with a tax exemption decree granted under Act No. 83 of July 19, 2010, may claim a credit for investment equal to 50% of the special eligible investment made

in Puerto Rico after the approval of said act. The credit may be claimed against the green energy income tax.

The credit may be claimed in two or more installments: up to 50% of said credit may be claimed in the year the eligible investment is made and the balance in subsequent years until totally used.

Line 1 – The term **special eligible investment** means the amount of cash used by the exempt business, or any entity affiliated to said exempt business, in research and development activities directly related with the production of green energy, including operating expenses, infrastructure or intellectual property, incurred or used directly in said activities.

Among the operating expenses the following will be included: payroll, including fringe benefits and professional services; insurance; tax, municipal license and licenses payments; rent; repair and maintenance expenses; net expense of electric power, water and telephone; and materials.

Line 3 – Enter 50% of the total credit generated for investment made in the current year. You may claim a maximum of 50% of the credit against the tax liability in the year the investment was made.

Line 4 – Enter the amount of credit not used in the previous year, if any.

Line 5 – This is the amount of credit available that the business may choose to claim against the tax liability for the current year. If you have made an eligible investment during the current year, you shall take into consideration 50% of the allowable credit for this year plus the amount of generated credit not claimed in previous years.

Line 7(a) – Enter the amount that you will claim against the tax liability in the current year and transfer to Schedule Y Incentives, Part II, line 5(c).

Line 7(b) – If you chose to assign, sell or in any way transfer totally or partially your credit, enter on this line the total amount transferred.

Line 8 – That part of the credit not used in the year in which the investment was made can be carried forward to subsequent years until totally used.

For additional information, refer to Article 2.11(c) of Act No. 83 of 2010 and the corresponding regulations.

PART IV – CREDIT FOR THE TRANSFER OF INTELLECTUAL PROPERTY

Any exempt business with a tax exemption decree granted under Act No. 83 of July 19, 2010, may claim a credit only against the green energy income tax equal to 12% of the payments made to corporations, partnerships or nonresident persons, for the use or right to use in Puerto Rico of intangible property in their exempt operation, provided that the income from such payments is from sources in Puerto Rico.

The generated credit not used in the taxable year in which it was originated may be carried forward for a period that shall not exceed eight taxable years counted from the closing of the taxable year in which it was originated.

OBLIGATION TO PAY ESTIMATED TAX

IMPORTANT NOTICE

Beginning on taxable year 2010, the requirement to file the Estimated Tax Declaration (Form 480-E) was eliminated. However, the obligation to make the estimated tax payments is still required.

ESTIMATED TAX COMPUTATION

The estimated tax computation will be made using an approximate calculation of the gross income that can reasonably be expected that the corporation or partnership will receive or accumulate, as applicable, depending on the accounting method in which the net income determination is based on, and an approximate calculation of the deductions and credits provided by the Code or special laws, including the non refunded tax paid in excess corresponding to the previous taxable year.

PAYMENT OF ESTIMATED TAX

The estimated tax for the taxable year will be paid in four installments:

1st installment:	the 15 th day of the fourth month
2nd installment:	the 15 th day of the sixth month
3rd installment:	the 15 th day of the ninth month

4th installment: the 15th day of the twelfth month

If the obligation to pay estimated tax arises for the first time after the last day of the third month and prior to the first day of the sixth month of the taxable year, the installments will be:

1st installment: the 15th day of the sixth month

2nd installment: the 15th day of the ninth month

3rd installment: the 15th day of the twelfth month

If the obligation to pay estimated tax arises for the first time after the last day of the fifth month and prior to the first day of the ninth month of the taxable year, the installments will be:

1st installment: the 15th day of the ninth month

2nd installment: the 15th day of the twelfth month

If the obligation to pay estimated tax arises for the first time after the last day of the eighth month and prior to the fifteenth day of the twelfth month of the taxable year, the estimated tax will be paid in its entirety on the 15th day of the twelfth month of the taxable year.

The estimated tax installments will be paid together with a payment coupon (Forms 480.E-1 or 480.E-2). Taxpayers who paid estimated tax in the previous year, will receive a booklet containing 4 coupons (Forms 480.E-2) with their name, address and employer identification number. New taxpayers or taxpayers who have not received the coupons booklet, must visit the Taxpayer Service Center (Office 101) of the Department of the Treasury in Old San Juan, where the payment coupons (Form 480.E-1) will be prepared. You may also make the payments without the need of a coupon using Payments Online. For additional information, please call (787) 722-0216.

The estimated tax payments must be made through Payments Online, in the participating banks (if you have the preprinted coupon), at the Internal Revenue Collections Offices or mailed to the Returns Processing Bureau to the following address:

DEPARTMENT OF THE TREASURY
RETURNS PROCESSING BUREAU
PO BOX 9022501
SAN JUAN PR 00902-2501

Payments with checks in participating banks must be made payable to the order of such banks. Payments with managers checks, checks or money orders at the Internal Revenue Collections Offices will be made payable to the Secretary of the Treasury.

CHANGES IN THE ESTIMATED TAX COMPUTATION

If there is any change in the estimated tax computation as a result of a change in income, deductions or for any other reason, the remaining installments must be proportionally increased or reduced to reflect the increase or reduction in the estimated tax.

PENALTIES

For taxable years beginning after December 31, 2009, the Code establishes a 10% penalty of the amount not paid of any estimated tax installment. For this purposes, the estimated tax will be the smaller of:

- 1) 90% of the tax for the taxable year, or
- 2) the total income tax determined as it results from the preceding year's income tax return.
