Notes:

- 1) Under current Act 84, the relative percentages of the SUT received by COFINA, the FAM, and the Commonwealth General Fund over the course of the fiscal year have not changed from the relative percentages allocated under prior Act 18. Only the timing of the transfers has changed. While SUT distributions for fiscal year 2017-18 have been consistent with Act 84, the Treasury Department's reporting of those distributions inadvertently continued the Act 18 regime. This disclosure modifies and corrects the prior disclosure dated lanuary 25, 2018.
- 2) On December 10, 2018, the Department of the Treasury began to collect certain taxes through SURI. Before that date, SURI was only used to collect the IVU. Due to a programming issue, approximately \$ 84.7 million of taxes not related to the IVU collected between December 10 and 14, 2018 were deposited in the IVU accounts and guarded by the trustee of the bonds issued by the Fund of the Preferential Interest Fund., known as COFINA. The Government identified and addressed this issue on December 19, 2018. The Government recovered the funds corresponding to contributions not related to the SUT transferred to COFINA by the receipt of additional receipts corresponding to the SUT once COFINA received the corresponding amount of SUT for the year. fiscal 2019, what happened on January 3, 2019.
- 3) Pursuant to COFINA's Third Amended Plan of Adjustment, on February 12 2019, \$368.2 million was transferred from the FY2019 BNYM Deposits (as defined in the Third Amended Plan of Adjustment) to the Commonwealth, reflecting the allocation under the compromise and settlement of the ownership of the Pledged Sales Tax as of the Compromise Date of July 1, 2018. In addition, the Government received \$44.2 million from FY2018 BNYM Deposits to cover transaction costs related to COFINA's Plan of Adjustment that are not included as revenues in this table.
